

Podplane Individual Contributor License Agreement ("Agreement")

Thank you for your interest in Podplane, an open source ecosystem owned or managed by Nadrama Pty Ltd (the "Company").

To clarify the intellectual property license granted with Contributions from any person or entity, the Company must have on file a signed Contributor License Agreement ("CLA") from each Contributor, indicating agreement with the license terms below. This agreement is for your protection as a Contributor as well as the protection of the Company and its users. It does not change your rights to use your own Contributions for any other purpose.

Please complete and sign this Agreement using the signature request provided by the Company. The completed signed Agreement will be returned to the Company through that signature request. By signing this Agreement, You acknowledge that You have read this Agreement, accept and agree to its terms, and intend to be legally bound by it. The parties agree that this Agreement may be signed electronically and that an electronic signature has the same legal effect as a handwritten signature to the fullest extent permitted by applicable law.

Read this document carefully before signing and keep a copy for your records.

You accept and agree to the following terms and conditions for Your Contributions (present and future) that you submit to the Company. Except for the license granted herein to the Company and recipients of software distributed by the Company, You reserve all right, title, and interest in and to Your Contributions.

1. Definitions.

"You" (or "Your") shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Agreement with the Company. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"Covered Projects" shall mean the Podplane open source ecosystem, including but not limited to Podplane, Nstance, Netsy, Easy OIDC, puidv7, Terraform/OpenTofu modules, Kubernetes operators, SDKs, websites, documentation, and related software owned or managed by the Company. The [Podplane CLA repository README](#) may contain an illustrative, non-exhaustive list of Covered Projects.

"Contribution" shall mean any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to the Company for inclusion in, or documentation of, any of the Covered Projects or other products owned or managed by the Company (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Company or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Company for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. Grant of Copyright License. Subject to the terms and conditions of this Agreement, You hereby grant to the Company and to recipients of software distributed by the Company a perpetual, worldwide, non-exclusive, no-

charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.

3. Grant of Patent License. Subject to the terms and conditions of this Agreement, You hereby grant to the Company and to recipients of software distributed by the Company a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) was submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.
4. You represent that you are legally entitled to grant the above license. If your employer(s) has rights to intellectual property that you create that includes your Contributions, you represent that you have received permission to make Contributions on behalf of that employer, that your employer has waived such rights for your Contributions to the Company, or that your employer has executed a separate Corporate CLA with the Company.
5. You represent that each of Your Contributions is Your original creation (see section 7 for submissions on behalf of others). You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which you are personally aware and which are associated with any part of Your Contributions.
6. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.
7. Should You wish to submit work that is not Your original creation, You may submit it to the Company separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".
8. You agree to notify the Company of any facts or circumstances of which you become aware that would make these representations inaccurate in any respect.
9. This Agreement is governed by the laws of Victoria, Australia. The parties submit to the exclusive jurisdiction of the courts of Victoria, Australia and courts competent to hear appeals from those courts.
